Dear Devotee/Friend,

Aum Sri Ramakrishna Sharanam.

In view of the government's advisory to maintain "social distancing" and prevent the spread of COVID-19 (coronavirus) we have decided to temporarily cancel all Satsangs, festival celebrations and the temple will cease to open for Arati until further notice.

"The whole humanity is now facing a critical situation which may last a few more days. In the lives and teaching of Sri Ramakrishna, Holy Mother Sarada Devi and Swami Vivekananda, we have adequate resources to enable us to face this global crisis. By their grace we will certainly overcome this psycho-physical and social crisis. If we have this faith firmly rooted in our hearts, we have nothing to fear. We have a higher spiritual goal to attain. Obstacle, individual and collective are bound to occur on the path of attainment of our ultimate Goal. But by the grace of the Almighty we will certainly overcome crisis and attain the Goal. Let us not stop till that goal is reached!" - Revered Swami Smaranandaji Maharaj, President of Ramakrishna Math & Ramakrishna Mission

Best regards,

Kumaran Ramakrishnan (Secretary)
